Directions From Solihull Train Station:

From leaving the main doors you are on Station Approach, turn right. At the end of Station Approach turn left towards a traffic island. Take the second left off the island (this is a short dual carriageway). When you reach the island you will see a pub (O'Neils). You need to go down this road, passing the O'Neils (not turning right down Poplar Road). Keep going straight, we are 200 - 300 yards down on the right hand side - Jago House.

N.B. If you pass Argos you have gone too far.

From M42 J5:

Coming off from Warwick - 1st exit

This is a dual carriageway and you need to come off after about 200-300 yards to the left. At the island turn right (second exit). Follow this road, straight over 4 sets of traffic lights, the 5/6th sets are pedestrian crossings. When you reach the island take the 1st exit (straight on). Turn left into Lode Lane Car Park after about 50 yards.

N.B. Once out of the car park on foot, come out onto the road you came off and turn right. When you reach the island you will see a pub (O'Neils).
